### **RESOLUTION CERTIFYING RESULTS OF THE MUNICIPAL ELECTION HELD NOVEMBER 8, 2005 (3 COUNCIL SEATS, MEASURE F)**

Honorable Mayor and Council Members:

#### **Summary**

The Regular Municipal Election to elect three Council Members for the City of Belmont was held on November 8, 2005. Section 10262 of the Election Code states that the governing body (City Council) shall canvass returns and install the newly elected officers, as well as certify results of any measures held during the election.

#### **Background and Discussion**

Please refer to the attached Exhibit A, which is the Certification from the County Clerk, which sets forth the results of the election held on November 8, 2005. Coralin Feierbach, Warren Lieberman, and Bill Dickenson were elected to the office of City Council for a term expiring in November of 2009. In addition, Measure “F” was approved with a 73.43 percent majority vote.

#### **Fiscal Impact**

The estimated total cost of the election is approximately \$36,000, which includes approximately \$2000 for the printing of the candidates’ ballot statements. This item is reimbursable by the candidates, so the total election cost to the City will be reduced by that amount. The 2005-06 Election Division of the City Clerk’s office was originally budgeted in the amount of the \$26,000 estimate from the County Elections Office for the regular Municipal Election. Since that time, Measure F was added to the ballot by the City Council. Any actual costs from the County over and above the estimate due to the addition of Measure F on the ballot will be augmented during the mid-year Budget review.

#### **Public Contact**

#### **Recommendation**

It is recommended that the City Council approve the attached Resolution declaring the results of the election.

**Alternatives**

There are no viable alternatives. The City Council is required to adopt the attached Resolution to finalize the Election process.
